**Student Volunteer Position: Garden Story Time Program**

**Commitment:** Tuesdays, July 7-28 and/or
Wednesdays, July 8-29
9:00 AM – 12:00 PM

**Location:** Lincoln Garden at Lincoln Elementary School
110 SE Alexander Ave.

**Hours per week:** 3-6

**Description:** Garden Story Time is an outdoor, garden-based parent/child interactive class. Volunteers will assist the Nutrition Educator while working with preschool-aged children and their families. Activities may include helping with nature-based arts and craft projects, circle time with stories and songs, food preparation, and garden exploration. This is a great opportunity for students who want to develop experience teaching, creating and/or leading activities and projects for children, and learning more about nutrition, cooking, seasonal foods and child development.

**Qualifications:** Undergraduate or graduate students in Education, Human Development and Family Sciences, Nutrition, Public Health, Exercise and Sport Science or related fields. Volunteers should possess excitement for working with children and their families; interest in healthy living, nutrition, cooking, gardening (either professionally or as a hobby); ability to work cooperatively with others as well as independently.

**To apply:**
Prepare the following application packet, including the following forms (found on our website):
- Resume
- Volunteer Application
- Conditions of Volunteer Service
- Criminal History Check and copy of photo ID
- 3 Reference Forms (these may be professional or personal in nature)
