Our Garden Manifesto
Soil to Seed to Plate

The garden is a place to...
Gather
Discover the connection between our bodies, our community, and the natural world
Satisfy our curiosity in nature
Learn how to think
Be mindful
Be joyful
Move your body.

Soil:
Return what is left to the earth
Cultivate Life
Experience the wonder of nature.

Seed:
Be led by discovery
Nurture growth
Be observant.

Plate:
Eat fresh from the garden
Share our meal together
Engage our senses.

Celebrate diversity in our soil, on our plate, and in our neighbors.
